

# All Things New

---

## VERSE 1

Worthy is the Lamb who was slain  
Who rose again and forever reigns  
By Your death You conquered our sin  
And with Your life we are new again  
It is finished, it is done  
Death is dead and Love has won

## CHORUS

You're the Beginning and the End  
You have defeated death and all our sin  
All our hope is found in You  
Jesus, You make all things new  
Jesus, You make all things new

## VERSE 2

Behold the glorious city of light  
Where all injustice will be made right  
No more sickness, sorrow, or pain  
You will wipe all our tears away  
And forever we will dwell  
With You, our God, Emmanuel

## REPEAT CHORUS

## BRIDGE

Every nation, tribe, and tongue  
All our voices join as one  
To the holy, matchless King  
For eternity we'll sing

Holy, Holy, Holy, Lord  
For your glory we're restored  
To the holy, matchless King  
For eternity we'll sing

## REPEAT CHORUS
