

Let the Redeemed of the Lord Say So (Psalm 107)

CHORUS

Oh give thanks for the Lord is good
Oh give thanks for His love endures
Oh give thanks, He has rescued our souls
Let the redeemed of the Lord say so

VERSE 1

We were wanderers in the wasteland
We were hungry and thirsty without a home
But then He brought us inside
He broke the Bread and poured the Wine
Let the redeemed of the Lord say so

(REPEAT CHORUS)

VERSE 2

We were voyagers lost in the storm
We were hopeless and ruined on our own
But then He calmed the wind and waves
By His Word we have been saved
Let the redeemed of the Lord say so

(REPEAT CHORUS)

VERSE 3

We were prisoners of the darkness
We were bound in chains in death's shadow
But then He set us free, now we are free indeed
Let the redeemed of the Lord say so

(REPEAT CHORUS)
