

Everlasting (Psalm 90)

by Luke Lengl and Hunter Lynch

CHORUS

Lord, you have been our dwelling place
oh from age to age
you're everlasting, everlasting
we will rejoice for all you've done
o Eternal One
you're everlasting, everlasting

BRIDGE

you are eternal, o God
but we are here and then gone
teach us to number our days
all for your kingdom

VERSE 1

before the mountains were formed
before the whole earth was born
you were and you will be
you return man to the dust
sweep them away as a flood
you were and you will be
you were and you will be

(REPEAT CHORUS)

VERSE 2

within your marvelous light
nothing can hide from your sight
oh you see everything
each secret held in our hearts
each sin that's done in the dark
oh you see everything
yes you see everything

VERSE 3

but you won't leave us this way
in our despair and decay
your mercy is endless
because the Son gave his life
your justice is satisfied
your mercy is endless
your mercy is endless

(REPEAT CHORUS)
